# HILLINGDON BUSINESS EXPO

The Hillingdon Business Expo launched in 2015, has become an annual flagship event for the London Borough of Hillingdon.

2024 celebrated the 10th year of the Hillingdon Business Expo, attracting 133 exhibitors and more than 1,5000 visitors.

Over the years, the Expo has become the epicentre of Hillingdon Business, attracting visitors from the Borough and across the South East who are looking to engage with Hillingdon Businesses.

The visitors have an opportunity to have engaging conversations, visit diverse exhibition stands, attend insightful business workshops, speed networking sessions and experience interactive entertainment. Whether you're looking to grow your business, forge new connections, or gain valuable insights, the Hillingdon Business Expo is the must-attend event for professionals in the region.

Hillingdon is the second largest London Borough with more new businesses registered in the last year than any other Borough outside of Central London.

Join us on Tuesday, 4th June 2024, at Brunel University London for the Hillingdon Business Expo – the West London's largest and most dynamic business event.
